

Survey Authorization Form

To be signed by competent municipal official or department prior to completing survey

Purpose of the survey

The **Global Survey on Accessibility and the Engagement with Persons with Disabilities** has been developed as a direct response to the policy brief "[Localization to Solve the Accessibility Crisis: Recommendations to States Parties for Immediate Action to solve the accessibility crisis](#)"; presented by the United Cities and Local Governments and the World Blind Union during the 16th Session of the Conference of States' Parties to the UN Convention on the Rights of Persons with Disabilities.

Benefits of completing the Survey

The survey is a **tool for local and regional governments to map out and inform inclusive local practices** by understanding how cities, and local and regional governments (LRGs) address accessibility and the engagement with organizations of persons with disabilities.

Safety and Confidentiality

By submitting this survey, you are consenting to your **data being collected by UCLG and WBU that will be kept confidential at all times and stored on a secure server**. General findings may be shared with UCLG members and in official reports and advocacy materials, full anonymity and access to information is guaranteed. UCLG & WBU will ensure that all data collected, stored, and processed is done with appropriate levels of sensitivity and security.

By signing this form, I agree that:

1. *I have read and understood the purpose of the information stated above*
2. *I understand answers submitted represent my local or regional government*
3. *I have received prior authorization to complete this survey on behalf of my institution from the competent municipal official & department*
